g) All placements will be arranged by the School of RT Office. Students are not allowed to arrange their own placement. All student placements will be guided by the following:

1) students will experience a variety of clinical areas within CCMB McCharles Unit in Winnipeg and the Western Manitoba Cancer Centre (WMCC) in Brandon; it is the student's responsibility to attend as scheduled.

2) students will have at least one placement at the Western Manitoba Cancer Centre (WMCC) in Brandon. These will be full-time basis and may range between 2-4 weeks in length.

h) Adjustments to the clinical dates or to the prescribed-RT format of the clinical will not be considered. Clinical education must be completed in the manner it is scheduled (e.g. five days per week, fifteen-week blocks) and during the dates that are provided.

i) Students are expected to be available for clinical education on a full-time basis Monday- Friday from 6:00 a.m. - 6:00 p.m. All other activities or commitments must be worked around the assigned timetable.

j) Clinical education blocks may take place outside of the regularly scheduled university year. Students will be provided with these dates in advance and will be expected to be available for all the components.

k) Sessions to support clinical skills development and testing of clinical skills will be routinely scheduled on Saturdays and evenings. Students will be provided with these dates in advance and will be expected to be available for all the components.

III. English Proficiency

Students who, after admission, show an inadequate command of spoken or written English which interferes with their ability to communicate effectively in clinical areas will have to complete a proficiency test conducted by a University of Winnipeg designate. Students may be required to take further courses to improve their English which may result in withdrawal from the School of RT. Continuation in the RT Program will be contingent upon approval from the Language Assessment Evaluators and the School of Radiation Therapy & Education Coordinator.

IV. Withdrawing from CCMB Courses

1. Students wishing to withdraw from any CCMB course must notify the School of RT Office as this may result in removal from the program.

2. In cases where it is possible, the School of RT Office will recommend an extension to programming rather than a withdrawal, but only under the following circumstances: e.g. There is a documented medical reason or other documented extenuating

1. Failure to meet or maintain academic grade-point requirements as established by The University of Winnipeg and the School of Radiation Therapy. In the case of Academic Probation or Not Allowed to Continue Status, withdrawal is automatic and will take place without a review or further procedure.
2. As a result of a ruling by the Department Review Committee (see School of RT Program Rules and Regulations in the General Calendar for more information).
3. As a result of behaviour judged to be in violation of the Standards of Professional Conduct for RT Students (see Section -adep2Row 2RaAe i1. 67
